

# Discover Your Land with SYSCAL R1 Plus!

Join our hands-on workshop to  
master resistivity imaging.  
Learn how to operate the SYSCAL R1 Plus,  
acquire data, and interpret results for  
geophysical surveys.

 **Tuesday April 15, 2025**

 **08:30 AM - 04:00 PM**

 **Auditorium hall  
Faculty of Natural  
and Life Sciences**
