University of Echahid Hamma
Lakhdar-El Oued
Exact Sciences Faculty
LEVRES Laboratory

The 4th Study Day on Materials Science and its Applications (FSDMSA'25) - "New Perspectives in Developing Energy and Sustainable Building Materials"-

November 19th, 2025

Honorary chairs:

Pr. Omar FERHATI

University Director

Pr. Abdelouahab MANSOUR

Dean of the faculty
of Exact Sciences

President

Pr. Mohammed Sadok MAHBOUB

LEVRES Director

ORGANIZATION COMMITTEE

President

Dr. Mebrouk Ghougali

Deadline for abstracts submission

November 5th, 2025

Notification of acceptance

November 9th, 2025

Topics:

- 1- Physicochemical Characterization of Local Materials used in Construction
- 2- Advanced and Smart Building Materials
- 3- The Role of Materials Science and Civil Engineering in Structural Durability and Quality
- 4- Towards Sustainable and Eco-Friendly Building Materials

Abstract submission:
gathmane88@gmail.com
